

Fire Chief Francis Koehler and his crew are busy outfitting Arizona City's first fire truck, appropriately lettered "Engine No. 1." Here they are, ready for action: (from left) Koehler, Dale Newberry, Bill Lewallen, Stan Iverson, Gil Gross, Ben

Ballargeon, Frank Hall, Francis Brown and Erwin Brewer. Brown's bulldog, Poochie, the department's self-assigned mascot, had to get in the picture, too. (Another fireman, George Derdoski, is on vacation.)
